

Community Voice in Housing - Strategy workshop

Welcome and setting the scene

Donna Luckman
CEO, Renew

Why are we all here?

Share a commitment to improved consumer outcomes:

- Lower energy bills
- Improved health and comfort
- Reduced emissions
- Resilient to a changing climate

We have the
solutions

Moment in time

Strong consumer
voice demanding
change

Collaboration to date

- ECA Housing Summit, September 2018
- DE&E Trajectory for Low Energy Homes report
- Call to Action, November 2018
- COAG Energy Council meeting, December 2018

Opportunities

- New homes and renovations
 - National Construction Code 2022
- Existing Homes
 - Range of processes and jurisdictions
 - Real opportunities to improve peoples lives

What we want to get out of today

Shared understanding of the opportunities and what we want to achieve

- Who is doing what already and potential resources and capacity
- Shared messages that reflect better outcomes for consumers
- Next steps on how groups will collaborate most effectively.
