

Foresighting Forum 2026

Flick the switch!

Sponsorship Prospectus

Shangri-La, Sydney
4-5 March 2026

Energy Consumers Australia's 2026 **Foresighting Forum: Flick the switch!** will take place in Sydney at the **Shangri-La Sydney** on **4-5 March 2026**.

The Foresighting Forum brings together more than 200 leaders, decision-makers, and innovators from across Australia to shape the future of our energy system.

Under the theme ***Flick the switch!***, the 2026 Forum will explore how we can accelerate meaningful change – turning ideas, policies, and commitments into action that delivers a fair, reliable, and consumer centred energy future for all Australians.

Over the two-day event participants will:

-  Hear from leading international and Australian speakers on energy transformation, innovation, and consumer empowerment.
-  Join panel sessions with industry experts, policymakers, and advocates exploring how to build an energy system that works for everyone.
-  Connect with peers and leaders through dedicated networking sessions that spark collaboration across the energy sector.
-  Participate in hands-on workshops to identify tangible actions and solutions that empower consumers, households, and businesses in Australia's energy future.

This Forum is more than a discussion, it's a call to action. Together, we will tackle pressing questions such as:

How can we “flick the switch” to deliver an energy system that puts people first?

How can consumers play a more active role in driving Australia's energy transition?

We invite you to be part of this milestone event as we continue shaping a future powered by consumer insight, innovation, and collaboration.
