

Board Communique: September 2023

The Energy Consumers Australia Board met via video conference on 21 September 2023.

Governance Meeting

The Board approved the audited financial accounts for FY 2022-23, and endorsed the Annual Report 2022-23 and the budget forecasts and cashflow for the forthcoming financial year (2024-25), which will be sent to the Member (the South Australian Energy Minister) for approval on behalf of the energy ministers of Australia.

The Board also discussed with the Executive Leadership Team progress towards Energy Consumers Australia's key policy and organisational priorities.

The Board was updated on Energy Consumers Australia's small business strategic intelligence project. The project aims to ensure the organisation has an effective understanding of the energy issues concerning small business, and to identify pathways to improve its advocacy for the sector and realise opportunities to influence outcomes to benefit small business consumers.
