Directors' Report (continued)

NET SURPLUS AFTER INCOME TAX

The net surplus of the Company for the financial year after income tax was \$1,412,409 (2017: net surplus of \$279,052).

REVIEW OF OPERATIONS

Following a review of the Company's operations during the financial year and the results of those operations, in the opinion of the directors, the company performed according to expectations.

PRINCIPAL ACTIVITIES

The principal activity of the Company during the course of the year was to promote the long term interests of Consumers of Energy with respect to the price, quality, safety, reliability and security of supply of Energy services by providing and enabling strong, coordinated, collegiate evidence based consumer advocacy on National Energy Market matters of strategic importance or material consequence for Energy Consumers, in particular for Residential Consumers and Small Business Customers.

There have been no significant changes in the nature of these activities during the year.

AFTER BALANCE DATE EVENTS

No matters or circumstances have arisen since the end of the financial year which significantly affected or may significantly affect the operations of the Company, the results of those operations, or the state of affairs of the Company in subsequent financial years.

FUTURE DEVELOPMENTS

The Company expects to maintain the present status and level of operations and hence there are no likely known developments in future financial years.

ENVIRONMENTAL ISSUES

The Company's operations are not regulated by any significant environmental regulation under a law of the Commonwealth or of a State or Territory.

ACTIONS

No person has applied for leave of Court to bring proceedings on behalf of the Company or intervene in any proceedings to which the Company is a party for the purpose of taking responsibility on behalf of the Company for all or any part of these proceedings.

The Company was not a party to any such proceedings during the year.

Directors' Report (continued)

DIRECTORS' MEETINGS

The number of meetings of directors held during the year and the number of meetings attended by each director were as follows:

	Number of meetings attended	Number of meetings eligible to attend
Marie Louise Sylvan	11	12
Catherine Sheree Cooper	11	12
Steven Graham	12	12
Virginia Sue Hickey	11	12
Clare Patricia Petre	12	12

INDEMNIFYING DIRECTORS OR OFFICERS

During or since the financial year, the Company has paid premiums in respect of a contract insuring all the Directors and officers of Energy Consumers Australia Limited against liabilities for costs and expenses incurred by them in defending any legal proceedings arising out of their conduct while acting in the capacity of a Director or Officer other than conduct involving a wilful breach of duty.

The total amount of insurance contract premiums paid was \$14,850 (2017: \$14,866).

INDEMNIFICATION OF AUDITORS

To the extent permitted by law, the Company has agreed to indemnify its auditors, Ernst & Young, as part of the terms of its audit engagement agreement against claims by third parties arising from the audit (for an unspecified amount). No payment has been made to indemnify Ernst & Young during or since the financial year.

MEMBERS' GUARANTEE

The Company is limited by guarantee. If the Company is wound up, the Constitution states that each member is required to contribute a maximum of \$10 each towards meeting any outstanding obligations of the Company. At 30 June 2018 the number of members was 1.

Directors' Report (continued)

AUDITOR INDEPENDENCE

The Auditors' Independence Declaration for the year ended 30 June 2018 has been received and can be found on page 7 of the annual financial report.

This statement is made in accordance with a resolution of the Board of Directors and is signed for and on behalf of the directors by:

Marie Louise Sylvan

NOTES TO THE FINANCIAL STATEMENTS For the period ended 30 June 2018

1 CORPORATE INFORMATION

The financial report of Energy Consumers Australia Limited (the Company) for the year ended 30 June 2018 was authorised for issue in accordance with a resolution of the directors on 13 September 2018.

Energy Consumers Australia is a company limited by guarantee incorporated in Australia on the 29 January 2015. The Company's objectives are to promote the long-term interests of Consumers of Energy with respect to the price, quality, safety, reliability and security of supply of Energy services by providing and enabling strong, coordinated, collegiate evidence-based consumer advocacy on National Energy Market matters of strategic importance or material consequence for Energy Consumers, in particular for Residential Consumers and Small Business Customers.

2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

a) Basis of preparation

The financial report is a general purpose financial report and it has been prepared in accordance with the requirements of the *Corporations Act 2001* and Australian Accounting Standards. The financial report has been prepared on a historical cost basis.

The financial report is presented in Australian dollars.

b) Statement of compliance

The general purpose financial statements of the Company have been prepared in accordance with the requirements of the Corporations Act 2001, Australian Accounting Standards and other authoritative pronouncements of the Australian Accounting Standards Board. The financial report complies with Australian Accounting Standards and International Financial Reporting Standards (IFRS) as issued by the International Accounting Standards Board.

c) New accounting standards and interpretation

i) Changes in accounting policies

The accounting policies adopted are consistent with those of the previous financial year except as follows:

Energy Consumers Australia Limited has adopted the following new and amended accounting standards from 1 July 2017:

- AASB 2015-2 Disclosure Initiative Amendment to AASB 101 This Standard amends AASB 101 Presentation of Financial Statements to clarify existing presentation and disclosure requirements and to ensure entities are able to use judgement when applying the Standard in determining what information to disclose, where and in what order information is presented in their financial statements year ending 30 June 2018.
- AASB 2014-4 Amendments to Australian Accounting Standards Clarification of Acceptable Methods of Depreciation and Amortisation. The amendments clarify the principle in AASB 116 Property, Plant and Equipment and AASB 138 Intangible Assets that revenue reflects a pattern of economic benefits that are generated from operating a business (of which the asset is part) rather than the economic benefits that are consumed through use of the asset.
- AASB 2016-1 Recognition of Deferred Tax Assets for Unrealised Losses The amendments to AASB 12 Income Taxes clarify the accounting for deferred tax assets for unrealised losses on debt instruments measured at fair value. Effective for annual periods beginning on or after 1 January 2017. (Company 1 July 2017)
- AASB 2016-2 Disclosure Initiative The amendments to AASB 107 Statement of Cash Flows require entities to provide disclosures about changes in their liabilities arising from financing activities, including both changes arising from cash flows and non-cash changes (such as foreign exchange gains or losses).

Adoption of these standards did not have any material effect on the Statement of Comprehensive Income, Statement of Financial Position and Statement of Cash Flows of the Company.

(ii) Accounting Standards and Interpretations issued but not yet effective

Australian Accounting Standards and Interpretations that have been issued or amended but are not yet effective have not been adopted by the Entity for the year ended 30 June 2018. At this time the following standards and interpretations may have an impact, but the extent of this is not expected to be material:

AASB 2016-8 Amendments to Australian Accounting Standards - Australian Implementation Guidance for Not-For-Profit Entities. Effective for annual periods beginning on or after 1 January 2019. (Company 1 July 2019)

AASB 1058 Income of Not-for Profit Entities. This Standard clarifies and simplifies the income recognition requirements that apply to not-for-profit (NFP) entities, in conjunction with AASB 15 *Revenue from Contracts with Customers*. Effective for annual periods beginning on or after 1 January 2019 (Company 1 July 2019.

AASB 9 Financial Instruments - A new principal standard which replaces AASB 139. This new Principal version includes a model for classification and measurement, a single, forward-looking 'expected loss' impairment model and a substantially-reformed approach to hedge accounting. Effective for annual periods beginning on or after 1 January 2018. (Company 1 July 2019 for NFPs).

AASB 15 Revenue from Contracts with Customers. The core principle of AASB 15 is that an entity recognises revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. For Australian not for profit entities effective for annual periods beginning on or after 1 January 2019 (Company 1 July 2019 for NFPs).

AASB 16 Leases. AASB 16 requires lessees to account for all leases under a single on-balance sheet model in a similar way to finance leases. Effective for annual periods beginning on or after 1 January 2019. (Company 1 July 2019).

The Directors have not yet assessed whether the above amendments and interpretations will have a material impact on the financial report of the Company in the year or period of initial application.

d) Revenue recognition

Revenue is measured at the fair value of the contributions received or receivable.

Revenue is recognised when all the following conditions have been satisfied:

- a) the Company obtains control of the contribution or the right to receive the contribution
- b) it is probable that the economic benefits comprising the contribution will flow to the Company
- c) the amount of the contribution can be measured reliably.

(i) Commonwealth grant income

Commonwealth grant income is recognised where there is reasonable assurance that the grant will be received and all attached conditions will be complied with. When the grant relates to an expense item, it is recognised as income on a systematic basis over the periods that the related costs, for which it is intended to compensate, are expensed. Grants received for which related costs have not been incurred are recognised as unearned revenue on the balance sheet.

(ii) Other income - interest income

Revenue is recognised as interest accrues using the effective interest method. This is a method of calculating the amortised cost of a financial asset and allocating the interest income over the relevant period using the effective interest rate, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the net carrying amount of the financial asset.

e) Cash and cash equivalents

Cash and cash equivalents in the Statement of Financial Position comprise cash at bank and in hand and short-term deposits with an original maturity of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

For the purposes of the Statement of Cash Flows, cash and cash equivalents consist of cash and cash equivalents as defined above, net of outstanding bank overdrafts.

f) Trade and other receivables

Trade receivables are recognised initially at fair value and subsequently measured at amortised cost using the effective interest method, less an allowance for impairment. Collectability of trade receivables is reviewed on an ongoing basis at an operating unit level. Individual debts that are known to be uncollectible are written off when identified.

g) Property, plant and equipment

Property, plant and equipment is initially measured at fair value at the date on which control is obtained

Depreciation is calculated on a straight-line basis over the estimated useful lives of the assets as follows:

Office furniture and equipment 3 to 5 years

Leasehold Improvements
5 years

An item of property, plant and equipment and any significant part initially recognised are derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the Statement of Comprehensive Income when the asset is derecognised.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year and adjusted prospectively, if appropriate.

h) Intangible assets

Intangible assets acquired separately are measured on initial recognition at cost. The useful live of intangible assets are assessed as either finite or indefinite.

Intangible assets with finite lives are amortised over the useful life as follows:

Software and website development
3 years

Intangible assets assessed for impairment whenever there is an indication that the intangible asset may be impaired. The amortisation period and the amortisation method for an intangible asset with a finite useful life are reviewed at least at the end of each reporting period.

Changes in the expected useful life or the expected pattern of consumption of future economic benefits embodied in the asset are considered to modify the amortisation period or method, as appropriate, and are treated as changes in accounting estimates. The amortisation expense on intangible assets with finite lives is recognised in the Statement of Comprehensive Income in the expense category that is consistent with the function of the intangible assets.

i) Financial assets

Investments and financial assets in the scope of AASB 139 Financial Instruments: Recognition and Measurement are categorised as either financial assets at fair value through profit or loss, loans and receivables, held-to-maturity investments, or available-for-sale financial assets. The classification depends on the purpose for which the investments were acquired or originated. Designation is re-evaluated at each reporting date, but there are restrictions on reclassifying to other categories.

When financial assets are recognised initially, they are measured at fair value, plus, in the case of assets not at fair value through profit or loss, directly attributable transaction costs.

Financial assets are derecognised when the right to receive cash flows from the financial assets has expired or when the entity transfers substantially all of the risks and rewards of the financial assets. If the entity neither retains nor transfers substantially all of the risks and rewards, it derecognises the asset if it has transferred control of the assets.

After initial recognition, deposits shall be measured at amortised cost using the effective interest method.

The Company assesses, at each reporting date, whether there is any objective evidence that a financial asset or a group of financial assets is impaired. A financial asset or a group of financial assets is deemed to be impaired if, and only if, there is objective of impairment as a result of one or more events that has occurred after the initial recognition of the asset (an incurred 'loss event') and that loss event has an impact on the estimated future cash flows of the financial asset or the group of financial assets that can be reliably estimated.

i) Leases

The determination of whether an arrangement is or contains a lease is based on the substance of the arrangement and requires an assessment of whether the fulfillment of the arrangement is dependent on the use of a specific asset or assets and the arrangement conveys a right to use the asset. Leases where the lessor retains substantially all the risks and benefits of ownership of the assets are classified as operating leases. Initial direct costs incurred in negotiating an operating lease are added to the carrying amount of the leased asset and recognised over the lease term on the same basis as the lease income.

Operating lease payments are recognised as an expense in the Statement of Comprehensive Income statement on a straight-line basis over the lease term.

k) Trade and other payables

Trade and other payables are carried at amortised cost due to their short-term nature they are not discounted. They represent liabilities for goods and services provided to the Company prior to the end of the financial year that are unpaid and arise when the Company becomes obliged to make future payments in respect of the purchase of these goods and services. The amounts are unsecured and are usually paid within 30 days of recognition.

I) Provisions and employee benefits

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

Employee leave benefits

(i)Wages, salaries, annual leave and personal leave

Liabilities for wages and salaries, including non-monetary benefits, annual leave and accumulating personal leave expected to be settled within 12 months of the reporting date are recognised in respect of employees' services up to the reporting date. They are measured at the amounts expected to be paid when the liabilities are settled.

m) Income tax and other taxes

(i) Income tax

The income tax expense or benefit for the period is the tax payable on that period's taxable income based on the applicable income tax rate for each jurisdiction, adjusted by changes in deferred tax assets and liabilities attributable to temporary differences, unused tax losses and the adjustment recognised for prior periods, where applicable.

The carrying amount of recognised and unrecognised deferred tax assets are reviewed each reporting date. Deferred tax assets recognised are reduced to the extent that it is no longer probable that future taxable profits will be available for the carrying amount to be recovered. Previously unrecognised deferred tax assets are recognised to the extent that it is probable that there are future taxable profits available to recover the asset.

Deferred tax assets and liabilities are offset only where there is a legally enforceable right to offset current tax assets against current tax liabilities and deferred tax assets against deferred tax liabilities; and they relate to the same taxable authority on either the same taxable entity or different taxable entities which intend to settle simultaneously.

Income taxes relating to items recognised directly in equity are recognised in equity and not in the Statement of Comprehensive Income statement.

In the absence of reasonable certainty at this stage, that sufficient future taxable income will be available, against which deferred tax asset can be realised, the same has not been recognised in the financial statements.

(ii) Other taxes

Revenues, expenses and assets are recognised net of the amount of GST except:

- where the GST incurred on a purchase of goods and services is not recoverable from the taxation authority, in which case the GST is recognised as part of the cost of acquisition of the asset or as part of the expense item as applicable; and
- receivables and payables are stated with the amount of GST included.

The net amount of GST recoverable from, or payable to, the taxation authority is included as part of receivables or payables in the Statement of Financial Position.

Cash flows are included in the Statement of Cash Flows on a gross basis and the GST component of cash flows arising from investing and financing activities, which is recoverable from, or payable to, the taxation authority is classified as operating cash flows.

Commitments and contingencies are disclosed net of the amount of GST recoverable from, or payable to, the taxation authority.

3. FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES

The Company's principal financial instruments comprise receivables, payables, cash and short-term deposits.

The Company currently manages its exposure to key financial risks, including interest rate and currency risk, through ongoing monitoring of the Company's financial instruments by management. If significant exposures were identified, a recommendation for a strategy to mitigate the financial risk would be proposed to the Board of Directors for review and approval. Once approved, the Company would implement the agreed strategy to minimize the financial exposure.

Risk exposures and responses

Interest Rate Risk

The Company's exposure to the risk of changes in market interest rates relates primarily to the company's cash at bank and short term deposits.

At balance date, the Company had the following mix of financial assets and liabilities exposed to Australian variable interest rate risk that are not designated in cash flow hedges:

	2018 \$	2017 \$
Financial Assets		
Cash and cash equivalents	3,599,317	2,273,047
Term deposit 120 days 2.30%	500,000	-
Term deposit 120 days 2.40%	-	1,000,000
Term deposit 365 days 2.45%	500,000	500,000
	4,599,317	3,773,047
Financial Liabilities	-	
Net exposure	4,599,317	3,773,047

3. FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES (CONTINUED)

The following sensitivity analysis is based on the interest rate risk exposures in existence at the Statement of Financial Position date:

At 30 June 2018, if interest rates had moved, as illustrated in the table below, with all other variables held constant, post-tax profit and equity would have been affected as follows:

luda-washin af wasawahin	Post tax surplus higher/(lower)		Other comprehensive income higher/(lower)	9
Judgements of reasonably				
possible movements:				
	2018	2017	2018	2017
	\$	\$	\$	\$
+1% (100 basis points)	5,699	8,299	-	-
(0.5%) (50 basis points)	(2,850)	(4,150)	-	-

Credit Risk

Credit risk arises from the financial assets of the Company, which comprise cash and cash equivalents, deposits and trade and other receivables. The Company's exposure to credit risk arises from potential default of the counter-party, with a maximum exposure equal to the carrying amount of these instruments.

The Company only trades with recognised, creditworthy third parties and as such collateral are not requested nor it is the Company's policy to securitise its trade and other receivables.

Receivable balances are monitored on an on-going basis with the result that the Company's exposure to bad debts is not significant.

Liquidity Risk

Liquidity risk arises from the financial liabilities of the Company and the Company's subsequent ability to meet its obligations to repay its financial liabilities as and when they fall due. The Company closely monitors its cash position and regularly updates its cash flow projections to ensure it has sufficient liquid resources to meet its obligations under all reasonably expected circumstances.

3. FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES (CONTINUED)

Maturity analysis of financial assets and liabilities based on management's expectations

The risk implied from the values shown in the table below, reflects a balanced view of cash inflows and outflows.

		6-12			
	<6 months	months	1-5 years	5 years	Total

Fair Value

The methods of estimating fair value are outlined in the relevant notes to the financial statements.

4. SIGNIFICANT ACCOUNTING JUDGEMENTS, ESTIMATES AND ASSUMPTIONS

The preparation of the financial statements requires Management to make judgements, estimates and assumptions that affect the reported amounts in the financial statements. Management continually evaluates its judgements and estimates in relation to assets, liabilities, contingent liabilities, revenue and expenses. Management bases its judgements and estimates on historical experience and on other various factors it believes to be reasonable under the circumstances, the result of which form the basis of the carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates under different assumptions and conditions.

Management has identified critical accounting policies for which significant judgements, estimates and assumptions are made. Actual results may differ from these estimates under different assumptions and conditions and may materially affect financial results or the financial position reported in future periods.

Further details of the nature of these assumptions and conditions may be found in the relevant notes to the financial statements.

5. SEGMENT INFORMATION

The Company operates predominately in one industry. The principal activity of the Company is to promote the long-term interests of Consumers of Energy with respect to the price, quality, safety, reliability and security of supply of Energy services by providing and enabling strong, coordinated, collegiate evidence based consumer advocacy on National Energy Market matters of strategic importance or material consequence for Energy Consumers, in particular for Residential Consumers and Small Business Customers. The Company operates in Australia.

7 GRANT PAYMENTS

Grant payments of \$2,393,572 (FY17: \$1,700,716) represent costs incurred in relation to approved grant applications and are recognized to the extent that the work has been undertaken by the applicant. Of the expense recognized during the year, \$nil (FY17: \$268,112) relates to amounts accrued at year end (refer to note 14).

The unrecognized contractual commitments relating to grant applications approved before or on 30 June 2018 are disclosed in note 20.

7(A) COMMONWEALTH GRANT INCOME AND EXPENDITURE

The Company received a Commonwealth Government grant of \$1,818,182 (ex GST) over three years to undertake Power Shift; an independent review of the Low-Income Energy Efficiency Program evidence base, as well as undertake complementary research, and support the ongoing work of the Group of Energy Efficiency Researchers Australia.

During the year, \$564,659 (FY17: \$411,469) in grants and other costs associated with the program were incurred and a corresponding amount has been recognised as income. The

remaining \$842,054 (FY17: \$1,406,713) is unearned revenue and recorded at year end (Current liability: \$335,341; non-current liability: \$506,713) (refer to note 14).

8. CASH AND CASH EQUIVALENTS

	2018	2017
	\$	\$
Cash at bank and in hand	3,599,317	2,273,047

Cash at bank in 2018 includes \$115,952 of AusNet funds which must be used by the Company in accordance with the terms of the Pilot Customer Forum Payment Administration Support Agreement.

Interest rate risk

Cash at bank earns a floating interest rate, based on daily bank deposit rates. The carrying amount of cash and cash equivalents represents fair value.

9. STATEMENT OF CASH FLOW RECONCILIATION

17. RETAINED EARNINGS AND RESERVES

Movements in retained earnings were as follows:	2018 \$	2017 \$
Initial contribution reserve		
Balance as at 30 June 2017	1,189,415	1,189,415
Net movement for the year		
Balance as at 30 June 2018	1,189,415	1,189,415
Retained earnings:	C20 420	200 270
Balance as at 30 June 2017	639,428	360,376
Net movement for the year	1,412,409	279,052
Balance as at 30 June 2018	2,051,837	639,428

18. RELATED PARTY TRANSACTIONS

Key Management Personnel Remuneration	2018 \$	2017 \$
Short term benefits Post-employment benefit	404,572 33,375	390,670 33,242
Total	437,947	423,912

19. COMMITMENTS

Lease Commitments

Operating lease commitments – Company as lessee

The company has entered into an operating lease on rental property. The lease has a fixed term of 5 years from 1^{st} August 2015 to 31^{st} July 2020 and there are no restrictions placed on the lessee by entering into this lease.

Future minimum rentals payable under non-cancellable operating leases as at 30 June 2018 are as follows:

	2018 \$	2017 \$
Within one year	208,046	199,357
More than one year but no later than five years	235,237	443,283
Total minimum lease payments	443,283	642,640

20. UNRECOGNISED CONTRACTUAL COMMITMENTS

Commitments relate to approved applications for which a grant has not yet been paid:

	2018 \$	2017 \$
Payable within one year	1,139,890	1,063,266
More than one year but no later than two years	303,308	401,626
Total unrecognised contractual commitments	1,443,198	1,464,892

The above represents commitments for approved grant applications where the conditions for payment of the grant has not been met as at 30 June 2018.

21. EVENTS AFTER REPORTING PERIOD

There were no events occurring after 30 June 2018 that have a material financial implication on the financial statements.

DIRECTORS' DECLARATION

In accordance with a resolution of the directors of Energy Consumers Australia Limited, I state that:

- 1. In the opinion of the directors:
 - (a) The financial statements and notes of the company for the financial year ended 30 June 2018 are in accordance with the *Corporations Act 2001*, including:
 - (i) Giving a true and fair view of the company's financial position as at 30 June 2018 and its performance for the year ended on that date; and
 - (ii) Complying with Accounting Standards and *Corporations Regulations* 2001
 - (b) The financial statements and notes also comply with International Financial Reporting Standards to the extent disclosed in Note 2 (b); and
 - (c) There are reasonable grounds to believe that the company will be able to pay its debts as and when they become due and payable.

On behalf of the Board

Independent Auditor's Report to the Members of Energy Consumers Australia Limited

Opinion

We have audited the financial report of Energy Consumers Australia Limited (the Company), which comprises the statement of financial position as at 30 June 2018, the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, notes to the financial statements, including a summary of significant accounting policies, and the directors' declaration.

In our opinion, the accompanying financial report of the Company is in accordance with the *Corporations Act 2001*, including:

- a) giving a true and fair view of the Company's financial position as at 30 June 2018 and of its financial performance for the year ended on that date; and
- b) complying with Australian Accounting Standards and the Corporations Regulations 2001.

Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of our report. We are independent of the Company in accordance with the auditor independence requirements of the *Corporations Act 2001* and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Information Other than the Financial Report and Auditor's Report Thereon

The directors are responsible for the other information. The other information is the directors' report accompanying the financial report.

Our opinion on the financial report does not cover the other information and accordingly we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of the Directors for the Financial Report

The directors of the Company are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud
 or error, design and perform audit procedures responsive to those risks, and obtain audit evidence
 that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a
 material misstatement resulting from fraud is higher than for one resulting from error, as fraud may
 involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal
 control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures
 that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the
 effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.
- Conclude on the appropriateness of the directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

• Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
