Foresighting Forum 2020: Secure your place

Foresighting Forum 2020 is rapidly approaching and will be held on 19 – 20 February 2020 at Aerial Function Centre, UTS, Sydney. The full program can be [accessed here](#).

The theme of this year's Forum is ***Take charge – a consumer vision for future energy services.***

The keynote speaker for this year's forum will be **Dr Jeffrey Hardy from Imperial College London.**

Dr Jeffrey Hardy is a Senior Research Fellow at the Grantham Institute at Imperial College London, where he researches energy market transformation, innovative energy business models and the role of consumers and citizens in future energy systems.

Following the keynote on Day 1 will be an unveiling of a new consumer research study highlighting consumer expectations and preferences, followed by a panel discussion with the CEO signatories of The Energy Charter.

Day 2 will feature a detailed discussion about tomorrow's possibilities for light, heat and power in 2050, followed by a session exploring change and trust in the Australian energy sector.
