

App No.	Applicant	Project title	Status	Total funding	Financial Year Approved
711	Engineroom Infrastructure Consulting	Investigation of the costs of type 5 and type 6 meters	Approved	43,740	2014-15
712	St Vincent de Paul Society	Mapping electricity disconnections in the NEM	Approved	59,500	2014-15
713	St Vincent de Paul Society	Tariff-tracking and price analysis in NSW, QLD, SA, the ACT and TAS post price resets in July 2015	Approved	55,250	2014-15
714	Ethnic Communities Council of NSW	CALD connections with emerging products and services in the energy sector	Approved	81,300	2014-15
715	Ethnic Communities Council of NSW	Research the knowledge and participation of CALD consumers in the energy market, particularly in the new and emerging products and services sector.	Approved	38,000	2014-15
716	Saturn Corporate Resources Pty Ltd	Impacts on consumers of deficiencies in the implementation of government initiatives	Not approved	18,000	2014-15
717	TASCOSS	TasCOSS Energy Advocacy and Research Project	Approved	57,121	2014-15
718	UnitingCare Australia	Energy Advocacy 2015-16	Approved	128,988	2014-15
719	Environment Victoria	A Best Practice Energy Efficiency Plan for Victoria's Homes	Not approved	55,000	2014-15
720	IES Advisory Pty Ltd	Quantifying electricity savings available to NEM residential consumers using Energy Storage Systems, and the resulting changes in residential electricity load profiles	Not approved	34,450	2014-15
721	SACOSS	Demand Tariffs for Small Customers – dealing with uncertainty	Approved	43,600	2014-15
722	SACOSS	New technologies: framework and protections for consumers in embedded networks and communities considering off-grid supply	Approved	44,900	2014-15
723	SACOSS	SA energy pricing and emerging themes for the NEM	Approved	86,200	2014-15
724	SACOSS	Network tariffs masterclass - a lamplight for consumers	Approved	27,980	2014-15
725	SACOSS	Embedding better practice among energy retailers	Not approved	68,150	2014-15
726	TEC	Fitting the bill: improving the regulatory regime for community retailing	Not approved	29,500	2014-15
727	PIAC	A consumer perspective on how to regulate network businesses' use of distributed generation and storage	Approved	38,400	2014-15
728	ATA	Advocacy in relation to appropriate gas market development and informed fuel choices by consumers	Approved	49,345	2014-15
729	ATA	Advocacy in relation to consumer protections in the context of innovative technology and energy services in the NEM.	Approved	46,350	2014-15
730	Enhar Pty Ltd	Small business to benefit from solar PV energy price improvements, faster receipt of rebate payments and greater certainty on pricing of solar PV electricity	Not approved	20,000	2014-15
731	Energy Users Association of Australia	Development of cost-reflective pricing tariffs for Australia's distribution networks	Withdrawn	39,550	2014-15
732	Energy Users Association of Australia	Ensuring Victorian DNSPs 2016-2020 revenue determination reflect consumers' long-term interests	Approved	39,275	2014-15
733	National Irrigators Council	Data and analysis of network and retail tariffs applicable to irrigators in the NEM	Approved	37,000	2014-15
734	Canegrowers	Development of network tariffs for electricity used for irrigation in food and fibre production	Approved	22,910	2014-15

App No.	Applicant	Project title	Status	Total funding	Financial Year Approved
735	TEC, Solar Citizens	Protecting Solar Customers	Approved	22,700	2014-15
736	TEC, Energy Users Association of Australia	Assets not Liabilities: ensuring fair regulatory valuations for Australia's electricity networks	Approved	36,900	2014-15
737	Northern Alliance for Greenhouse Action	Geospatial mapping and consumers: improving the use of geospatial data by local government	Not approved	35,500	2014-15
738	QCOSS	Enhancing advocacy on behalf of regional Queensland consumers in the context of proposed major electricity policy and reform developments in 2015/16	Approved	127,744	2014-15
739	MEU	AER Review of Qld electricity transmission revenue reset (Powerlink) 2016 -2020	Not approved	16,800	2014-15
740	MEU	AER Review of Victorian electricity transmission revenue reset (Ausnet) 2016-2020	Not approved	16,800	2014-15
741	MEU	AER Review of Victorian electricity distribution revenue reset 2016-2020	Not approved	40,000	2014-15
742	MEU	AER Review of SA gas distribution revenue reset (Australian Gas Networks (AGN)) 2015-2020	Approved	32,000	2014-15
743	MEU	AER Review of Darwin Amadeus gas pipeline revenue reset	Not approved	28,000	2014-15
744	ATA	Advocating for positive consumer outcomes from the introduction of cost reflective network pricing.	Approved	34,670	2014-15
745	ATA	Advocating for better consumer outcomes through improved energy market governance	Approved	15,165	2014-15
746	ATA	Advocacy to improve demand side participation for consumers	Approved	29,570	2014-15
747	Starfish Initiatives	Increasing consumer access to new technologies	Approved	81,565	2014-15
748	CALC	How can consumers engage with the energy market and drive real competition?	Approved	84,570	2014-15
749	CALC	Demand-side Energy Reference Group	Not approved	115,081	2014-15
750	CALC	Making Markets simple: The Consumer Care Index	Not approved	153,808	2014-15
751	PIAC	Putting consumers at the centre of the NEM – legal, institutional, and economic analysis for input into the Governance Review	Approved	38,400	2014-15
752	PIAC	Merits reviews of the NSW distribution networks revenue determinations by the Australian Energy Regulator (AER).	Approved	308,700	2014-15
758	Consumer Action Law Centre	Power Transformed: Understanding consumer decision making in the complex and transforming energy market	Approved	111,770	2014-15
755	Australian PV Institute	Network charges and regulatory proposals advocacy for energy consumers who have, or intend to, install photovoltaics	Approved	28,250	2015/16
756	Australian Chamber of Commerce and Industry	ACCC Inquiry into Competitiveness of Eastern & Southern Wholesale Gas Markets –Issues Paper Submission on Behalf of Business Consumers (especially SMEs)	Not approved	20,200	2015/16
757	Total Environment Centre	2015 update of TEC/Greenpeace Green Electricity Guide and What Price Solar factsheet	Approved	34,990	2015/16
759	South Australian Council of Social Service	National Consumer Roundtable on Energy – organisation of meetings	Approved	102,126	2015/16
760	South Australian Council of Social Service	Embedding Better Practice among Energy Retailers	Approved	65,465	2015/16

App No.	Applicant	Project title	Status	Total funding	Financial Year Approved
761	Cummings Economics	Assistance to Far North Queensland industry and social organisations to ensure input to Qld Productivity Commission Electricity Pricing Inquiry	Approved	36,000	2015/16
762	Consumer Action Law Centre	Regulatory architecture for a consumer-driven energy market	Not approved	46,222	2015/16
763	Public Interest Advocacy Centre	Legal support and capacity-building for consumers in limited merits review	Withdrawn	178,500	2015/16
764	Tasmanian Small Business Council	Advocacy on the future of the natural gas supply and prices to Tasmanian small businesses	Approved	31,500	2015/16
765	Major Energy Users Inc	Consumer advocacy into stage 2 of the AEMC review of east coast gas markets	Approved	30,000	2015/16
766	South Australian Council of Social Service	SACOSS intervention in the Australian Competition Tribunal merits review of SA Power Networks	Approved	48,400	2015/16
767	Tasmanian Small Business Council	Examination of the existence and impacts of cross-subsidies in Tasmanian small business electricity tariffs	Approved	25,000	2015/16
768	Total Environment Centre	Amicus curiae application to Federal Court in SAPN v AER in support of solar consumers	Approved	19,595	2015/16
769	Tyson Vaughan	Spoilt for choice: how the NEM framework thinks consumers make choices, and how they choose in reality	Not approved	39,750	2015/16
770	Total Environment Centre	Proponent involvement in local generation network credit rule change process	Approved	28,650	2015/16
771	Total Environment Centre, Solar Citizens	Life after FiTs: options for solar and other consumers	Approved	32,750	2015/16
772	Backroad Connections	Research review and advocacy on the fair value of distributed generation	Approved	37,245	2015/16
773	National Retail Association	Embedded network energy pricing - developing an equitable energy pricing policy for retail shopping centres	Not approved	79,088	2015/16
774	University of Sydney	Improving the effectiveness of consumers submissions made to the AEMC	Not approved	54,993	2015/16
775	Cummings Economics	Daintree/Cape Tribulation Project	Approved	11,200	2015/16
776	Burnett Inland Economic Development Organisation	2016 Queensland Rural Domestic Energy Consumer's Report	Not approved	36,000	2015/16
777	ACT Council for Social Service	Energised Consumers - Supporting ACT low-income domestic NGOs , consumers and small business consumers	Approved	50,000	2015/16
778	Total Environment Centre, Solar Citizens	Protecting solar customers in setting network tariffs	Withdrawn	19,000	2015/16
779	Communications and Information Technology Training	SME uptake of clean and renewable energy efficient solutions	Approved	30,000	2015/16
780	Communications and Information Technology Training	Survey of SME electricity supply contracts and barriers to reducing costs	Approved	20,000	2015/16
781	Consumer Action Law Centre	Engagement in Victorian hardship inquiry	Approved	18,098	2015/16
782	Major Energy Users Inc	Assessment of the SA electricity wholesale market late 2015	Approved	16,800	2015/16
783	Energy Users Association of Australia	Performance scorecard on NSPs development of cost reflective tariffs	Approved	39,845	2015/16
784	South Australian Council of Social Service	SACOSS Appeal/Intervention in the Australian Competition Tribunal – AER Final Decision on the SA Power Networks Determination 2015-20	Approved	146,000	2015/16

App No.	Applicant	Project title	Status	Total funding	Financial Year Approved
785	Council of Social Service NSW (NCOSS)	CEO Grant Advocacy in NSW TSS	Approved	8,000	2015/16
786	Tasmanian Small Business Council	CEO Grant Review of Tas wholesale electricity contract regulatory instrument Issues Paper	Approved	9,000	2015/16
787	Business South Australia	Analysis of SAPN tariff reforms through its proposed TSS in relation to impacts on small business	Approved	27,600	2015/16
788	RMIT Centre for Urban Research	Smart home control: exploring the potential for enabling technologies in vulnerable and disadvantaged households	Approved	153,660	2015/16
789	Financial and Consumer Rights Council	Rank the Energy Retailer 2016	Approved	45,000	2015/16
790	Energy Users Association of Australia	Ensuring the Powerlink and SP Ausnet 2017-2022 Revenue Determinations reflect consumers' long-term interests	Not approved	102,325	2015/16
791	Queensland Council of Social Service, Qshelter and Tenants Qld	Interaction between energy supply and residential rental housing arrangements	Approved	67,909	2015/16
