

Board Communique: November 2023

The Energy Consumers Australia Board met in Adelaide and online on 16 November 2023

Stakeholder event – 15 November

Board members met with South Australian stakeholders including consumer advocates and representatives from small business organisations, the energy industry, regulators, and the South Australian Government. It was a good opportunity for the Board and ECA staff to talk about matters affecting household and small business energy consumers in South Australia.

Annual General Meeting

The Board welcomed Executive Director, Department of Energy and Mining, Rebecca Knights to Energy Consumers Australia's 2023 Annual General Meeting. Rebecca attended as the representative for Energy Consumers Australia's Member, South Australian Energy Minister Tom Koutsantonis.

The meeting received ECA's Annual Report and Grants Supplement, as well as the Directors' Report and Audited Financial Statements. All items will be published on the Energy Consumers Australia website.

Governance Meeting

The Board was pleased to receive updates on ECA's program of work for the coming months, including the full program for the Foresighting Forum 2024. The Board also reviewed a number of governance documents, including a revised Privacy Policy for the organisation, which will be published on the website.
